Dear Hiring Manager,

I am writing to express my interest in the Ruby on Rails Engineer position currently available at your company. As an experienced software developer with a passion for creating efficient and scalable applications, I am confident that I have the skills and experience required to excel in this role.

I have honed my skills in Ruby on Rails and have a deep understanding of the framework's best practices and conventions. In addition, I have experience with front-end technologies such as HTML, CSS, and JavaScript, which allows me to create user-friendly and responsive applications.

One of my greatest strengths is my ability to work collaboratively with others. I understand the importance of communication and am always open to feedback and suggestions. I also have experience working in Agile development environments and am comfortable with tools such as Git and Slack.

I am excited about the opportunity to bring my skills and experience to your company and to work on exciting projects alongside a talented team. Thank you for considering my application. I look forward to hearing from you.

Sincerely,
Ashish Bhandari
